

New
For Strippit®/LVD®
Thin Turret
Machines

WILSON
HIGH PERFORMANCE™
SERIES

Maximizing Productivity Just Got Easier

Maximizing your productivity has never been easier than with new Wilson High Performance™ (HP) Fab tooling for Strippit®/LVD® thin turret machines.

New Push Button Adjustment System makes it even easier to set tool lengths

Improved Quick Release Stripper System for faster tool changes and decreased downtime

Optima® Coating available for significantly increased punch life

To learn more about upgrading to the Wilson High Performance Series, call **800-328-9646** or visit www.wilsontool.com.
